5. Additional Coverages

See separate list of Additional Coverages under Section D.

6. Coverage Extensions

See list, following Coverage C, of COVERAGE EXTENSIONS TO COVERAGES A, B AND C.

7. Coverage A Conditions

Coverage A is subject to the following Loss Condition as well as to the Farm Property Conditions and the Common Policy Conditions.

Loss Condition – Valuation

a. Property

- (1) The basis for loss settlement will be determined by the ratio of the Coverage A Limit of Insurance to the full replacement cost of the destroyed or damaged Covered Property. When determining the full replacement cost, the values of the following will be disregarded:

- (a) Excavations;
- (b) Foundations; and

- (c) Piers and other supports below the undersurface of the lowest basement floor; or, where there is no basement, those below the surface of the ground inside the foundation walls; also underground flues, pipes, wiring and drains.
- (2) If the Limit of Insurance on the damaged structure is at least 80% of its full replacement cost as of the time of loss, we will settle the loss based on the smallest of the following amounts:
- (a) The cost to replace the damaged part of the structure with equivalent construction for use on the same premises.
 - (b) The amount actually and necessarily spent to repair or replace the structure.
 - (c) The applicable Limit of Insurance.
- (3) If the Limit of Insurance on the damaged structure is less than 80% of its full replacement cost as of the time of loss, we will settle on the basis of (a) or (b) below, whichever is larger:
- (a) The actual cash value, as of time of loss, of the damaged part of the structure.
 - (b) A proportion of the cost to repair or replace the damaged part of the structure, without deduction for depreciation. This proportion will equal the ratio of the applicable Limit of Insurance to 80% of the cost of repair or replacement.

However, we will not pay more than the applicable Limit of Insurance, regardless of whether (a) or (b) above applies.

- (4) If your loss qualifies for payment on a replacement cost basis, but the cost of repair or replacement is more than either \$1,000 or 5% of the applicable Limit of Insurance, the only basis on which we will settle pending completion of repairs or replacement is actual cash value, as of time of loss, of the damaged part of the structure. In case of such a loss you can make an initial claim for payment on the actual cash value basis, and later make a supplementary claim for replacement cost payment. If you elect to exercise this option, you must notify us of your intention within 180 days of the occurrence of the loss.

b. Glass Replacement

We will settle on the basis of the cost to replace damaged glass with safety glazing material, if required by law.

COVERAGE B – OTHER PRIVATE STRUCTURES APPURTENANT TO DWELLINGS

For all damaged or destroyed trees, shrubs, plants or lawns located within 250 feet of a covered "dwelling", the most we will pay under this Extension is:

We will not pay for loss of or damage to trees, shrubs, plants or lawns grown for business or farming purposes.

c. Extensions of Coverage C Applicable Whether You Are Owner or Tenant

Each of the following Extensions is part of, not in addition to, the applicable Limit of Insurance.

(1) Household Personal Property of "Insureds" Away from the "Insured Location"

Covered Property is extended to mean household personal property anywhere in the world, provided it is owned or used by you or members of your family who reside with you on the "insured location".

But "insured's" household personal property at any "insured's" residence away from the "insured location" shown in the Declarations is subject to a Special Limit of Insurance equal to:

- (a) 10% of the Limit of Insurance shown in the Declarations for Household Personal Property; or
- (b) \$1,000;

whichever is greater. However, if a higher limit of insurance is shown in the Declarations, the higher limit applies. The only such property not permanently subject to the Special Limit is household personal property at a newly acquired principal residence. For a period of 30 days immediately after you begin moving it to the newly acquired principal residence, this property will be subject to the Limit of Insurance shown in the Declarations for Household Personal Property. That Limit will apply on a pro rata basis during the 30-day period to personal property at both locations.

(2) Refrigerated Products – Not "Farm Personal Property"

- (a) We will pay up to \$500 for loss of or damage to contents of a freezer or refrigerated unit, in the "dwelling" you occupy or a structure appurtenant to it, caused by a change in temperature due to:

- (b) Under this Coverage Extension we will not pay for loss of or damage to:

The Limit of Insurance for this Coverage Extension is 10% of the Limit of Insurance that applies to Household Personal Property. But if a higher Limit of Insurance is shown in the Declarations, the higher Limit applies.

This Extension is additional insurance.

(2) Loss Settlement

If the repair or replacement is done at the expense of the "insured" within 12 months after the loss, we will settle the loss on the basis of actual cash value as of time of loss.

If the repair or replacement is not done within 12 months after loss, we will settle on the basis of a proportion of the cost of repair or replacement. This proportion will equal the ratio of **(a)** below to **(b)** below.

- (a)** The period of time from the loss or damage to the expiration of the lease.
- (b)** The period of time from the installation of the improvements to the expiration of the lease.

Lease means the lease, whether written or oral, in effect at the time of the loss.

If your lease contains a renewal option, and if you exercise that option, the expiration of the renewal option period will replace the expiration of the lease in **(a)** and **(b)** above.

If repair or replacement is done at the expense of others for the use of the "insured", we provide no insurance.

COVERAGE D – LOSS OF USE

1. Coverage

We cover, up to the Limit of Insurance shown in the Declarations for Coverage D:

- (1)** A "dwelling" covered under Coverage A; or
- (2)** The "dwelling" in which covered Household Personal Property is located, if you are a tenant.

Payment under this Additional Coverage will be for the shortest time required for repair or replacement of the damaged property, or, if you relocate, the shortest time required for your household to settle elsewhere.

b. Fair Rental Value

If a Covered Cause of Loss renders uninhabitable any portion of:

- (1)** A "dwelling" covered under Coverage A; or
- (2)** An appurtenant structure covered under Coverage B;

that you, as the owner, rent or hold for rental to others as a residence or private garage, we will pay for the Fair Rental Value loss you sustain.

But we will exclude from our payment any expenses that do not continue while the rental portion is uninhabitable.

Payment under this Additional Coverage will be for the shortest time required for repair or replacement of the damaged property.

c. Loss and Expense Due to Emergency Prohibition Against Occupancy

We will pay for the Additional Living Expense and Fair Rental Value loss you sustain if a civil authority prevents use of the "dwelling" or appurtenant structure because of direct damage to neighboring premises by a Covered Cause of Loss.

But we will not pay parts of such loss or expense that are incurred:

- (1)** After a period of 2 weeks has elapsed; or
- (2)** Due to cancellation of a lease or agreement.

The period of our liability under Loss of Use is not limited by the expiration of this policy.

No Deductible applies to Coverage D.

3. Special Limits of Insurance Under Coverage F

Under Coverage F, individual "livestock" are subject to Special Limits of Insurance. These Special Limits are part of, not in addition to, the applicable Limit of Insurance shown in the Declarations, and apply in excess of any applicable Deductible.

The most we will pay for loss of or damage to any one head of "livestock" is:

- a. \$1,000 on any horse, mule or head of cattle under one year of age as of time of loss; and
- b. \$2,000 on any head of "livestock" not included under **a.** above.

If it becomes necessary to impose the penalty provided for in the last sentence of the Coverage F Loss Condition – Coinsurance (see **7.b.** below), no amount used as the actual cash value of an animal will exceed the applicable Limit of Insurance specified above.

4. Covered Causes of Loss

See Section **B.** Covered Causes of Loss.

5. Additional Coverages

See separate list of Additional Coverages under Section **D.**

6. Coverage Extensions to Coverage F

- a. The words "you" and "your", throughout this Coverage Form, include your spouse if a resident of the same household.

You may apply up to 10% of the Limit of Insurance shown in the Declarations for "farm personal property" to cover the following in the open:

- (1) Grain in piles, shocks, stacks or swaths;
- (2) Hay, straw and fodder in stacks, windrows or bales; but the most we will pay for loss or damage is \$10,000 for any one stack of hay, straw or fodder.

A stack means hay, straw or fodder in one area separated by a clear space of 100 feet or more from any other hay, straw or fodder in the open.

Fire or lightning, windstorm or hail, vandalism, vehicles and theft are the only Covered Causes of Loss for the property named in (1) and (2) above.

- (3) Unharvested barley, corn, oats, rye, wheat and other grains, flax, soy beans and sunflowers (but not on seed or forage crops, straw or stubble).

Fire or lightning is the only Covered Cause of Loss for this property.

This Extension is part of, not in addition to, the applicable Limit of Insurance.

c. Property in the Custody of a Common or Contract Carrier

Coverage is extended to apply to "farm personal property", insured under Coverage F, while in the custody of a common or contract carrier, for up to a total of \$1,000. However, if a higher limit is specified in the Declarations for Coverage F Property in the Custody of a Common or Contract Carrier, the higher limit will apply instead of \$1,000.

7. Coverage F Conditions

Coverage F is subject to the following Loss Conditions as well as to the Farm Property Conditions and the Common Policy Conditions.

Loss Conditions

a. Livestock

With respect to "livestock", the term loss means death or destruction caused by, resulting from or made necessary by a covered cause of loss.

b. Coinsurance

You must maintain insurance on unscheduled "farm personal property" to the extent of at least 80% of its actual cash value as of the time of loss. If you fail to do this, the percentage we pay of any loss will be the result produced by dividing the Limit of Insurance actually carried by the required Limit of Insurance.

The following provision applies in the event of loss of or damage to machinery or equipment within 30 days after the purchase of additional or replacement machinery or equipment.

If the Limit of Insurance actually carried becomes inadequate due to the purchase of additional or replacement machinery or equipment, then, up to \$50,000 of the value of the newly purchased machinery or equipment will be omitted in determining the required Limit of Insurance.

c. Valuation

In the event of loss of or damage to covered "farm personal property", we will settle at actual cash value as of time of loss, but we will not pay more than the amount necessary for repair or replacement.

d. Coverage Territory

We cover loss or damage commencing within the coverage territory. The coverage territory is:

- (1) The United States of America;
- (2) Puerto Rico; and
- (3) Canada.

COVERAGE G – OTHER FARM STRUCTURES

1. Covered Property

All of the following are Covered Property under Coverage G of this Coverage Form, provided a Limit of Insurance is shown in the Declarations for the specific type of property:

- a. Farm buildings and structures other than "dwellings", including attached sheds and permanent fixtures;
- b. Silos individually described in the Declarations or on a schedule, whether or not attached to buildings;
- c. Portable buildings and portable structures;
- d. All fences (except field and pasture fences), corrals, pens, chutes and feed racks;
- e. Outdoor radio and TV equipment, antennas, masts and towers;
- f. Improvements and Betterments. Improvements and betterments are additions, alterations, fixtures or installations made part of the described building, but do not include items that may be legally removed by an "insured". If you are a tenant, we cover your use interest in the improvements and betterments you make at your expense to a building you do not own at the "insured location"; and
- g. Building Materials and Supplies:
 - (1) For use in building, altering or repairing farm buildings or structures; and
 - (2) Kept on or adjacent to the "insured location".

4. Additional Coverages

See separate list of Additional Coverages under Section D.

5. Coverage Extensions to Coverage G

- a. The words "you" and "your", throughout this Coverage Form, include your spouse if a resident of the same household.

b. Private Power and Light Poles

We will pay up to \$250 in any one occurrence as an additional amount of insurance for direct physical loss of or damage to private power and light poles, outside wiring and attachments. Attachments include attached switch boxes, fuseboxes, and other electrical equipment mounted on poles you own at the "insured location". The \$250 Limit applies in excess of any applicable Deductible.

If specific private power and light poles are shown in the Declarations, the Limits of Insurance shown for them will be in addition to the \$250 Limit.

c. New Construction

- (1) We will pay up to \$100,000 for direct physical loss of or damage to new, permanent farm structures at the "insured location" including materials and supplies for use in their construction.
- (2) This Coverage Extension applies only:
 - (a) To structures that are not otherwise covered under this or any other policy; and
 - (b) To loss caused by aircraft, explosion, fire, lightning, riot or civil commotion, smoke, vandalism, vehicles, wind-storm or hail.
- (3) Insurance on each farm structure covered under this Coverage Extension will end as soon as any of the following takes place:
 - (a) You report values to us. (We will charge you an additional premium for values reported from the date construction begins or the materials and supplies are delivered.)
 - (b) 60 days have elapsed since the first date of delivery of the materials and supplies.

(c) This policy expires.

(4) This Coverage Extension is part of, not in addition to, the applicable Limit of Insurance.

6. Coverage G Conditions

Coverage G is subject to the following Loss Conditions as well as to the Farm Property Conditions and the Common Policy Conditions.

Loss Conditions

a. Fences, Corrals, Pens, Chutes, Feed Racks

The most we will pay in any one occurrence of loss of or damage to covered fences, corrals, pens, chutes and feed racks is the proportion that the applicable Limit of Insurance shown in the Declarations bears to the value of all covered fences, corrals, pens, chutes and feed racks you own as of the time of loss.

b. Portable Buildings and Portable Structures

The most we will pay in any one occurrence of loss of or damage to portable buildings or portable structures is the proportion that the applicable Limit of Insurance shown in the Declarations bears to the value of all portable buildings and portable structures you own as of the time of loss.

But this Condition does not apply to any portable building or portable structure individually covered under its own Limit of Insurance shown in the Declarations.

c. Valuation – Property Other than Improvements and Betterments

(1) If the Replacement Cost Basis option is **not** expressly indicated in the Declarations, we will, in the event of loss or damage to Covered Property, settle at the actual cash value, as of the time of loss, of the destroyed or damaged part of the structure, but we will not pay more than the amount necessary for repair or replacement.

(2) If the Replacement Cost Basis option is expressly indicated in the Declarations, loss valuation will be determined as provided below:

(a) The basis for loss settlement will be determined by the ratio of the applicable Limit of Insurance for the specific building to the full replacement cost of the destroyed or damaged Covered Property. When determining the full replacement cost, the values of the following will be disregarded:

(i) Excavations;

(ii) Foundations; and

(iii) Piers and other supports below the undersurface of the lowest basement floor; or, where there is no basement, those below the surface of the ground inside the foundation walls; also underground flues, pipes, wiring and drains.

(b) If the Limit of Insurance on the damaged structure is at least 80% of its full replacement cost as of the time of loss, we will settle the loss based on the smallest of the following amounts:

(i) The cost to replace the damaged part of the structure with equivalent construction for use on the same premises.

(ii) The amount actually and necessarily spent to repair or replace the structure.

(iii) The applicable Limit of Insurance.

(c) If the Limit of Insurance on the damaged structure is less than 80% of its full replacement cost as of the time of loss, we will settle on the basis of (i) or (ii) below, whichever is larger:

(i) The actual cash value, as of time of loss, of the damaged part of the structure.

(ii) A proportion of the cost to repair or replace the damaged part of the structure, without deduction for depreciation. This proportion will equal the ratio of the applicable Limit of Insurance to 80% of the cost of repair or replacement.

However, we will not pay more than the applicable Limit of Insurance, regardless of whether (i) or (ii) above applies.

- (d) If your loss qualifies for payment on a replacement cost basis, but the cost of repair or replacement is more than either \$1,000 or 5% of the applicable Limit of Insurance, the only basis on which we will settle pending completion of repairs or replacement is actual cash value, as of time of loss, of the damaged part of the structure. In case of such a loss you can make an initial claim for payment on the actual cash value basis, and later make a supplementary claim for replacement cost payment. If you elect to exercise this option, you must notify us of your intention in writing within 180 days of the occurrence of the loss.

d. Valuation – Improvements and Betterments

- (1) If repair or replacement is done at the expense of the "insured" within 12 months after the loss, we will settle the loss on the basis of actual cash value as of time of loss.
- (2) If repair or replacement is not done within 12 months after loss, we will settle on the basis of a proportion of the cost of repair or replacement. This proportion will equal the ratio of (a) below to (b) below.
- (a) The period of time from the loss or damage to the expiration of the lease.
- (b) The period of time from the installation of the improvements to the expiration of the lease.

Lease means the lease, whether written or oral, in effect at the time of the loss.

If your lease contains a renewal option and if you exercise that option, the expiration of the renewal option period will replace the expiration of the lease in (a) and (b) above.

- (3) If repair or replacement is done at the expense of others for the use of the "insured", we provide no insurance.

e. Valuation – Glass Replacement

We will settle on the basis of the cost to replace damaged glass with safety glazing material, if required by law.

B. COVERED CAUSES OF LOSS
